**T10 Pro Smart
with RedLINK™
Room Sensor**

PRIORITIZING COMFORT
WHERE IT MATTERS MOST

- Remote comfort control via web, tablet, or smartphone (free App).
- Controls humidity and dehumidification.
- Large touchscreen display
- Remote room sensor to eliminate hot and cold spots.

**24V Ultraviolet
Air Purifier**

ULTRAVIOLET LIGHT
HELPS CLEAR THE AIR

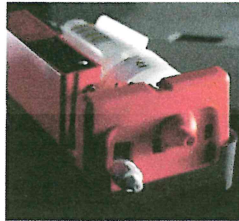

- Deactivates contaminants like mold, bacteria and viruses.
- Kills dust mites and other microorganisms.
- Neutralizes household odors caused by pets, cooking, and other sources.

Advanced Electrode Humidifier

DELIVERS ON-DEMAND HUMIDIFICATION
QUICKLY AND CONSISTENTLY

- Humidifies up to 5,000 SQ FT.
- The best humidifier for hard water.
- Most water efficient system on the market.
- Distills the water for purified steam

**F100 Whole-House Media
Air Cleaner**

CLEANER INDOOR AIR

- Up to 14 times more effective than a standard one-inch filter, capturing up to 96% of airborne particles.*
- Works with most gas, oil and electric forced air furnaces and AC systems.

*ASHRAE 52.2-2007 tests conducted at LMS Technologies determined that the F100 filter captured 96% of E3 particles (3.0 to 10.0 microns) passing through the system

Why Choose Synergy?

Synergy is defined as
“the creation of a whole
that is greater than the
simple sum of its parts.”

Jamie Clark, Owner

The term synergy
comes from the Greek
word ‘synergia,’ from
synergos, meaning
“working together.”

We at Synergy Home
believe in the whole
home approach, which
means looking at your
home and all of its
systems as a whole.
Your home’s comfort,
energy efficiency, and air quality are influenced by more than
just your heating and cooling system.
